## STATE OF NEW HAMPSHIRE

*In the Year of Our Lord Two Thousand Twenty Four*

*Be it Enacted by the Senate and House of Representatives in General Court convened:*

1        378:1 Determining Qualifications of Applicant; General Voter Registration. RSA 654:12 is repealed  
2 and reenacted to read as follows:

3        654:12 Determining Qualifications of Applicant.

4            I. When determining the qualifications of an applicant desiring to register to vote, whether the  
5 applicant seeks to register before election day or on election day, the supervisors of the checklist, or the  
6 town or city clerk, shall require the applicant to present proof of citizenship, age, domicile, and identity as  
7 provided in the following categories:

8              (a) CITIZENSHIP. The supervisors of the checklist, or the town or city clerk, shall accept  
9 from the applicant any one of the following as proof of citizenship: the applicant's birth certificate,  
10 passport, naturalization papers if the applicant is a naturalized citizen, or any other reasonable  
11 documentation which indicates the applicant is a United States citizen.

12             (b) AGE. Any reasonable documentation indicating the applicant will be 18 years of age or  
13 older at the next election.

14             (c) DOMICILE.

15                (1) A person who possesses one of the following qualified documents identifying the  
16 applicant's name and the address claimed as domicile must present that document when applying for

22 qualified documents listed in subparagraph (c)(1) may present any reasonable documentation of having  
23 established a physical presence at the place claimed as domicile, having an intent to make that place their  
24 domicile, and having taken a verifiable act to carry out that intent. The documentation must establish that  
25 it is more likely than not that the applicant has a domicile and intends to maintain that domicile, as defined  
26 in this chapter, at least until election day, in the town or ward in which they desire to vote. Reasonable  
27 documentation may include, but is not limited to, evidence of:

4                             (E) Listing that place as the person's physical residence address on state or federal  
5 tax forms, other government identification showing the address, or other government forms showing the  
6 address;

7                             (F) Providing the address of that place to the United States Post Office as the  
8 person's permanent address, provided it is not a postal service or commercial post office box;

11 ward to receive United States mail on behalf of the individual; or

12                           (I) Any other reasonable documentation which establishes that it is more likely than  
13 not that the applicant is domiciled at the address in the town or ward in which the applicant desires to  
14 vote. An applicant whose domicile is at an abode of another and whose name is not listed on the  
15 document offered as proof of domicile may provide a written statement from a person who is listed as

26 election official.

27                           Residents of a nursing home or similar facility may prove their identity through verification of identity  
28 by the administrator of the facility or by his or her designee. For the purposes of this section, the  
29 application of a person whose identity has been verified by an official of a nursing home or similar facility  
30 shall be treated in the same manner as the application of a person who proved his or her identity with a  
31 photo identification.

32                           II. The evidence described or presumptions established in paragraph I may be defeated by  
33 evidence establishing that it is more likely than not that the applicant is not qualified as a voter.

35 in a different town or ward in New Hampshire shall complete the voter registration form provided for in
